

March Week 3

Tic-Tac-Toe

Allow your child to choose three 21st Century Learning tasks for the week.

Check them off as you go! See if you can get three in a row! If you are an over-achiever, try to make an X pattern, **Square** pattern, or "**Blackout**" by doing them all!

<p>Student: Explain the difference between Narrative, Informational, & Opinion writing to your family.</p>	<p>Parent: Say 5 single syllable words that end with "-ain" (i.e. rain, pain, plain, stain, train etc.).</p> <p>Student: Listen to the words and write the words.</p>	<p>Parents: Write 5 words that end with "-ain."</p> <p>Student: Read them aloud.</p>
<p>Student:</p> <p>Make a list of as many CVC words as you can that have short "u" in the middle.</p>	<p>Parent: Read the following word problem:</p> <p><i>Sam has 2 cats. 1 cat ran away. How many cats does Sam have left?</i></p> <p>Student:</p> <ol style="list-style-type: none">1. Draw to solve and2. Write a number sentence.	<p>Parent: Go to www.youtube.com and search "The Reading Machine 2"</p> <p>Student: Try to read the words along with the video.</p>
<p>Student & Parent:</p> <p>Go to the Library and check out a book about Spring. Read together.</p>	<p>Student:</p> <p>Draw a picture of something living and something non-living.</p>	<p>Parent: Point to various objects in your home.</p> <p>Student:</p> <p>Identify what the object is made of (paper, plastic, glass, wood, metal, fabric, etc).</p>
