

November Week 1

Tic-Tac-Toe

Allow your child to choose three 21st Century Learning tasks for the week.

Check them off as you go! See if you can get three in a row! If you are an over-achiever, try to make an X pattern, **Square** pattern, or "**Blackout**" by doing them all!

<p>Make a collage of letter sounds using the letters in your name.</p> <p>(Phonemic Awareness)</p>	<p>While at the grocery store, go to the card section and count how many cards you see for "Veteran's Day."</p> <p>(Social Studies-Holidays)</p>	<p>Go on a Phonics Hunt for objects that begin with the letters "S" and "T," or even products that have these letters written on them (i.e. cereal boxes, magazines). To make it more fun, let your child carry a magnifying glass like a detective!</p> <p>(Phonemic Awareness)</p>
<p>Take a picture of all the triangles you can find at Walmart (auto dept., toys, candy)</p> <p>(Math-Identify and Describe Shapes)</p>	<p>Write 2-3 sentences about your Thanksgiving traditions.</p> <p>(Writing mechanics-Social Studies Holidays)</p>	<p>Take a picture of all the squares you see at the playground.</p> <p>(Math- Identify and Describe Shapes)</p>
<p>Sort all of your pairs of shoes by color. Create a graph to compare. What color shoes do you have the most/least of?</p> <p>(Math- Sort & Graph)</p>	<p>Look out your window when you get home from school and then again later at night. Draw what you see.</p> <p>(Science: Day & Night)</p>	<p>Find your favorite food that is in your kitchen right now. Write 1-2 sentences to describe it.</p> <p>(Writing Informative)</p>
